

Ref. Code: AP042

Date: April 2016

Universal Low Profile Dry Fix Valley

Heavyweight, with 70mm upstand for slates

Product Features

Corodrain valley troughs are a durable alternative to lead.

- Mortar free dry fix valley
- UV light and acid rain resistant
- Less prone to theft
- Quick to install
- At least as durable as lead
- Smooth surface inhibits the growth of moss & lichen build-up of debris
- Fire resistant to SAB to BS476 part 3 and Class 3 to part 7
- Similar in appearance to lead

- For use on roofs with pitches from 17.5° to 49°
- Designed for use with slates
- Can accommodate a maximum difference between 2 rafter pitches of 15°

Product specification
