

Ref. Code: AP043

Date: April 2016

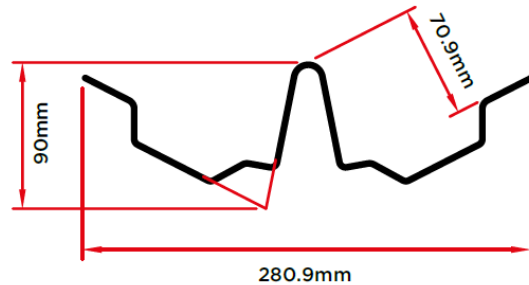

## Universal Dry Fix Valley

Heavyweight, with 90mm upstand for low profile & plain tiles

### Product Features

Corodrain valley troughs are a durable alternative to lead.

- Mortar free dry fix valley
- UV light and acid rain resistant
- Less prone to theft
- Quick to install
- At least as durable as lead
- Smooth surface inhibits the growth of moss & lichen build-up of debris
- Fire resistant to SAB to BS476 part 3 and Class 3 to part 7
- Similar in appearance to lead
- For use on roofs with pitches from 17.5° to 49°
- Designed for use with low profile and plain tiles
- Can accommodate a maximum difference between 2 rafter pitches of 15°
